Hi Jacky

It's Bad. But it's a fact. We've to look forward. And act.
BB seems to live in and think from within a tunnel. That's not really effective. We are not in Europe '38 or Palestine '47.

I gave an interview to our channel 2. Will send it to you.
And been interviewed yesterday by CBS (Vlad and Christine, 18min.) and Fox (Gretta V. S., 7min. )
You can find there all my arguments if you find time for it.
Stay in touch
Best
